### STATE SUNSHINE AND SHADOW.

SHERIFF LITTLE, of Marshall county, delivered at Frankfort last week four white boys under sentence to the Penitentiary. Their names are John Fields, Jim Cope, Lee Cope and Moses McBride, all under eighteen years of age. The three first named received one year for stealing, and the last got ten years for carnal knowledge of Victoria Johnson, a girl less than twelve years of age. The Sheriff sought to obtain a pardon for the boys on the ground of their youth and neglect of parental training, but Gov. Bryan postponed the consideration until a later date.

JOHN SANDERS last week shot on the streets of Owenton Sam Garvey, while the latter was passing the stables at which Sanders was at work. Sometime ago Garvey fired several shots at Sanders, wounding him in the leg. The killing last week was the outgrowth of the former shooting. Garvey died in a few minutes, and Sanders surrendered and was taken to jail.

THE family of L. B. Osborne, late of Richmond, have returned to Clark county, but Osborne has left for parts unknown. He was a prominent school teacher of Clark county, and census enumerator of his district. It was recently discovered that he had been guilty of an extensive system of forgeries, for which he was indicted at the last term of the Circuit Court.

GEORGE A. RAMSEY, a member of one of the most prominent families of Winchester, but for some time a resident of Jessamine county, was adjudged a lunatic and sent to the asylum. His hallucination is that the end of the world is at hand. He a few days ago attempted to kill his wife, and would have done so but for the intervention of friends.

SIDNEY SMITH, a young farmer, was shot and perhaps fatally wounded at Pleasure Ridge last week in an affray in which White Seward and Dudley Alsop were the other participants. There had been some bad feeling between them, and Seward and Alsop had called on Smith for a settlement, when the firing was opened by Alsop.

WM. KENDALL, of Newport, was killed and his body thrown into the Ohio River. As it is not known that he had enemies the theory advanced is that he was mistaken for M. J. Green, who has been hunted from place to place for several years by agents of a secret society, and who was in Newport at the time.

NINETY-NINE out of a total of 146 applicants have stood a successful examination for admittance to the West Point Military Academy. Among the candidates admitted are six from Kentucky: R. N. Beauchamp, C. E. Cain, Daniel Duncan, S. Fleming, W. S. Semple and F. W. Smith.

A NEGRO convict named Rudy, confined in the Penitentiary at Eddyville, was caught in some machinery while at work and instantly killed. His breast was terribly mangled and his heart and lungs torn to pieces. He was serving his third term from Henderson county.

A FEW days ago John W. Millichamp, a well-known and prominent contractor of Covington, mysteriously disappeared from his home. The search for him resulted in finding his body in the Ohio, a mile and a half below the city.

HENRY FRITZ, a prominent young German of Hopkinsville, has been mysteriously missing for several days. He had gone out to milk some cows the first of last week, and has not been seen since.

HARRY GRANT, recently convicted in the Circuit Court of Franklin county, and sentenced to the Penitentiary for one year for cutting Bob Breen, was last week pardoned by Gov. Bryan.

JERRY OWENS, charged with being an accessory to the murder of Gano Blevins, had his examining trial at Danville last week, and was held over in the sum of \$1,000.

JOE HARRIS, wanted in Carroll county, Tenn., for moonshining, is in Jail at Paducah. He was arrested in Graves county, and stands indicted on an old charge.

THOS. DOUGHERTY, a citizen of Lexington, was struck and killed by an electric car in that city one day last week, and gross carelessness is charged.

ORA SOPER, of Jessamine county, has been nominated as the Prohibition candidate for State Senator from the 22nd district.

JOHN T. JOHNSON, of Henry county, has been indicted for manslaughter by the Grand Jury of Franklin county.

HON. JOHN S. RHEA, one of the ablest debaters in the State, is making speeches against the new constitution.

WM. YOUNG, a well known insurance man of Newport, has been arrested on the charge of embezzlement.

THE Breckinridge News says the new constitution is rapidly losing ground in that county.

THE Kentucky Trades Journal at Lexington has been placed in the hands of a receiver.

THE Court of Appeals and Superior Court have adjourned for the summer.

THE tobacco crop of Mason county is unusually promising this year.

THE Central Millers Association met at Lexington last week.

### OVER THE WORLD IN A WEEK.

—A Chase county (Kas.) farmer has a cornfield in which the rows are three-fifths of a mile long.

—According to an Atlanta exchange, ten widows of revolutionary soldiers are living in the South.

—Two men are searching for a vessel load of copper, which is alleged to have been sunk at Erie, Pa.

—Chief Postoffice Inspector Rathbone resigned, and has been appointed Fourth Assistant Postmaster General.

—A Belgian expert has discovered a remedy for tomato and potato rot in a mixture of bluestone and lime.

—The granite-bronze statue to Henry Ward Beecher was unveiled in Brooklyn (N. Y.) last week with imposing ceremonies.

—Brazil, Ind., is flooded with counterfeit half dollars. Two tramp painters had a big time on them before discovery was made.

—At Troy, Wis., Mrs. John Laison drowned her three children during a fit of insanity, imagining the devil was pursuing her.

—Parnell will come to America in the fall for the purpose of attending the Irish League Convention at Baltimore in November.

—County Treasurer Kern, of Chicago, and his bondsmen, are to be sued by the city for \$4,500,000 city funds which he has not turned over.

—The Treasury Department has ordered the shipment of \$367,622 in uncured silver coin to the mint at New Orleans for recoinage.

—The Grand Rapids (Mich.) street car drivers' strike, which has been pending since May 10, has been declared off, the men conceding everything.

—Daniel Crife, of Goshen, Ind., is in Jail for criminally assaulting Mrs. Fred Kine two hours after her marriage. He was a former lover of the woman.

—A monster Alliance picnic will be held at Topeka, Kansas, tomorrow (July 4). Jerry Simpson, Senator Peffer and other new party lights will talk politics.

—Chinese have murdered several missionaries in the district of Canton, and others have been abducted and are held for heavy ransoms under threat of death.

—McCrystal and Cooney, two of the New Orleans jury bribers, have been granted a new trial, on the ground that the testimony did not warrant the verdict.

—It is reported from Chicago that the Government is likely to compromise the suits brought by millinery importers for excessive duties charged on hat trimmings by refunding \$5,000,000.

—Assistant Secretary Spaulding has directed that three Chinamen who were arrested at Detroit for entering this country in violation of the law be sent to San Francisco for deportation to China.

—Frank Cooley, who broke Jail at Eayette, near Pittsburg, prior to his removal to prison for burning an elderly woman, has organized a gang and is the terror of that section of mountain country, defying capture.

—Near Lewisburg, Tenn., there was a pitched battle between two factions that had been in attendance at a law suit. Six men were on one side and five on the other. When the smoke cleared away it was found that six participants were injured, three of them fatally.

—The Indian Bureau has notified the War Department that trouble is expected from the Moqui Pueblo Indians in Arizona. This is an isolated tribe, much prejudiced against schools, and the Indians threaten to kill the whites and take the children from the Indian schools. Troops will be sent to the scene.

—The damage done by the recent storms, floods, cloud bursts, etc., in Northwestern Iowa, Nebraska and Minnesota is much larger than was at first reported. Crops are almost entirely destroyed, and hundreds of families are homeless. Railroad traffic of all kinds is badly demoralized, and telegraphic communication is impaired, but there is no accurate knowledge yet as to the loss of life.
